

WHAT TO BRING WITH YOU

Not sure what to pack for your stay? Don't worry, we've got you covered! Check out our list of camping essentials below.

EXTRA TOWELS!

For cabins that provide bath towels, an exchange is done once if you are staying four or more days. Otherwise there is a small fee to receive a new set of towels. Towels provided are for in-cabin use only. You will need to bring your own towels to use in the pool house, beach area, or for river trips.

TOILETRIES

Mohican Adventures does not provide shampoo, conditioner, soap, or other toiletries in any of our cabins or shower house. We sell most of these items in travel size packs in our camp store.

CAMP CHAIRS

A picnic table is provided at your cabin, but if you desire additional seating on the decks or around the campfire, please bring your own camp chairs.

SUNSCREEN + BUG SPRAY

While we usually don't have a huge problem with insect bites, it's always a good idea to bring along bug spray for primitive camping deep in the woods or on a river trip. Bug spray & sunscreen are both sold in our camp store.

FISHING POLES

If you are looking to fish in one of our ponds, or in one of the rivers close by, you will need to bring your own fishing pole. We do have some for sale in the camp store, but we do not rent them out. Fishing on our property is catch & release, and does not require a fishing license. A fishing license is required for Ohio lakes and rivers. We do not sell bait or fishing licenses.

GAMES + CARDS

These are a good back up for those rainy weather days.

AN EXTRA OUTFIT OR TWO

Packing an outfit for each day probably will not be enough if you are planning on doing all that we have to offer. Clothes may get wet on the river, or dirty during hiking/biking adventures, so it would be smart to think ahead and pack a few extra outfits. A laundromat is close by for emergency cleanings.

SHOES!

We don't mean for you to bring a whole closet full of shoes, but having a couple of different pairs along is a smart idea. If you plan on going hiking, we recommend bringing comfortable tennis shoes or boots. While most people prefer sandals on the river, we recommend wearing shoes that tie and ones that you don't mind getting wet. There are also several tourist shops in downtown Loudonville, so packing comfortable walking shoes is a must. For our Aerial Park, closed-toe and closed-heel shoes are required.

**Don't forget we have an indoor pool & hot tub.
Bring your swimsuits and beach towels!**
